## News From Zambia

### A Grand Arrival

We arrived in Zambia at 6:00 am on the morning of October 7, 2010 to a warm reception by our colleagues. After a few hours sleep (*it was a long flight involving 2 days in airports and on planes*) we were treated to a wonderful reception. What a joy to have such wonderful people with which to work.

### KID'S CRUSADE

Nancy and another missionary, Amy Singleton, participated in a Kid's Crusade at Jehovah is in Control A/G in Lusaka. There were over 400 children at this Crusade.

### Waterfall's A/G, Hands-worth Farm, East Lusaka

This is one of the churches we have visited and/or ministered in. Archie preached the morning service and what a joy it was to fellowship with these wonderful people. They are meeting in a school and have just lost their pastor. Please pray for God to provide a building and a pastor for them.

### Introduction to Pastoral Care

Nancy has just completed teaching Introduction to Pastoral Care at the Ministry Training Center in Lusaka. Twenty pastors attended this course which is part of their degree studies through Global University. Through this training they are better equipped to serve their churches in Zambia. We are pleased to be part of this Pastoral training program.

### Lusaka District Council A/G November 9-12, 2010

We were privileged to attend the Lusaka District Council A/G. The following were elected to district office (left to right).

- ◆ District Treasurer
- ◆ District Secretary
- ◆ Assistant District Superintendent
- ◆ District Superintendent
